Introduction

Welcome to First National Bank. We are making banking easier, quicker, safer and cheaper for you to do your day-to-day banking. We want you to pay less, and get more. This guide has everything you need to understand how your bank fees are charged.

As a First National Bank customer you have various pricing options based on your annual turnover. We ensure that you always get exactly what you need, without paying too much.

You are charged a percentage of the value of certain services used or a fixed amount per transaction over the course of the month with a minimum and maximum fee per transaction.

A minimum monthly service fee applies **irrespective of whether you transact or not.**

Bank using eChannels, which consist of:

- First National Bank ATM
- Online Banking for sole signatories
- Online Banking Enterprise for more complex electronic requirements

You are welcome to visit any First National Bank branch if you have questions, want to know more about your account or need more information.

Business Cheque Account

The First National Bank Business Cheque Account is a day to day transactional account for businesses from all sectors of the economy.

Why do I need this for my business?

The Business Cheque Account offers your business the convenience of a hassle-free solution with the added benefit of safety at your finger tips, plus:

- A fully transactional account with basic services available at reasonable cost
- Different transactional channels to allow you to decide which transactional medium would best suit your needs
- Access to your account 24 hours a day, 7 days a week via First National Bank's Electronic Banking Channels with free subscription
- Built-in security controls to ensure that only client-approved and authorised movements of funds take place
- A record of all payments and receipts to and from your cheque account as well as bank fees and interest earned/paid
- No need to visit the bank to enquire about your balance
- Free subscription to inContact Pro, our FREE messaging service that notifies you via SMS or email whenever there is a transaction of more than GH¢25.00 on your account
- A safer way to pay with your Business Visa Cheque Card as you don't need to carry cash with you.
- Free ATM cash withdrawals at First National Bank ATMs
- Cheque Accounts in US Dollar, Euro and Pound Sterling
- A cheque book in GH¢ and US Dollars with which you can make payments and withdraw money
- Statements specially designed for businesses, providing both summarised and detailed information

You can:

- Pay suppliers more easily and at a cheaper rate with your Visa Cheque Card
- **Build up a good credit record with the bank to support future borrowing**
- Make deposits at any First National Bank Ghana Branch

Online Banking

Online Banking is a web based offering which gives you secure, controlled, real time access to accounts and online banking functionality. Avoid queues, and handling cash and cheques with FREE Online Banking (Single Level Control). Save time and money with our secure and convenient electronic banking channels.

Single Level Control

- One Time Pin to enhance security of Online Banking
- Up to five users with customised permissions to specific accounts
- Set up and maintenance of payment recipients online
- Future-dating payments up to 12 months in advance
- Real-time payments to First National Bank-banked recipients
- Same-day value for payments to all banks if authorised within cutoff times
- Referencing for all transactions to recipients
- Payment notifications sent by SMS or email
- Sixty day's transaction history on all First National Bank accounts
- Purchase of prepaid airtime

Dual Level Control

- Dual administration of your online profile will eliminate risks of single level controls
- Segregation of duties for users, customised per requirement
- Permit one to nine signatories to authorise financial transactions
- Future-dating payments up to 12 months in advance
- Real-time payments to First National Bank-banked recipients
- Same-day value for payments to all banks if authorised within cutoff times
- Referencing for all transactions to recipients
- Payment notifications sent by SMS or email
- Flexible statement options including formats and delivery options
- Sixty days transaction history on all First National Bank accounts
- Customised user access to specific accounts
- A multi-layered approach to security including use of digital certificates
- Event logs to monitor user activity online
- Customise billing to account level or to a nominated account
- Real-time payments to 3rd Party bank recipients (INSTANT PAY: GH¢4.00)
- Same-day value for payment to all banks if authorised before cut-off times (EXPRESS PAY: GH¢3.00)

Foreign Exchange Account

The Foreign Exchange Account is designed for business customers who receive income in foreign currencies. This account is funded locally with foreign exchange generated from activities within Ghana, transfers from outside Ghana or transfers from other Foreign Exchange Accounts in Ghana.

Features and Benefits:

- Safe and secure method of maintaining foreign funds
- Can be opened by customers in their business capacity
- Accounts can be opened in the following currencies: USD, GBP and Euro
- Funds can be transferred outside of Ghana but only under the Exchange Control regulations with accompanying documentation
