FAQs

What is the First National Bank Rewards Programme?

The Cash Back Rewards Programme is a value add that gives you cash back paid into your Savings Pocket when you swipe your First National Bank Ghana Gold or Platinum Cheque Card to make payments.

Is this a promotion?

No, this is not a promotion. It's a First National Bank thing.

Are all First National Bank Ghana customers eligible?

Only Gold and Platinum account holders are eligible for these rewards.

How does the programme work?

Every month, if you swipe at any point-of-sale device, a Cash Back reward is activated. You will get a percentage of the total amount you swiped in that month paid back into your Savings Pocket the following month.

You will receive one payment for that month for all your swipes. The reward is calculated on the total value of swipes.

You also need to deposit at least GHS 1,500 (Gold Cheque), or GHS 7,000 (Platinum Cheque) into your account every month via salary or transfer.

Product	SWIPE %	SWIPE% (With Adequate Deposit)
Gold	0.3%	0.6%
Platinum	0.3%	1%

Do I get my cash back instantly?

All cash rewards will be paid into your Savings Pocket account by the 15th of the following month as we follow the calendar month.

Where do I fill out the forms to sign up?

No forms are required. You only need to ensure that your account is active and that you're not behind on any payments owed to the bank.
