First National Bank Ghana Limited is exposed to:

- Credit Risk
- Liquidity Risk
- Market Risks
- Operational Risk

The Board of Directors has overall responsibility for the establishment and oversight of the Bank's risk management framework. The Board has established the Bank's Asset, Liability and Capital Committee (ALCCO), the Risk Committee (RISCO) and the Executive Committee (EXCO) which are responsible for developing and monitoring risk management policies in their specified areas.

The Bank maintains liquidity limit imposed by its local regulator, Bank of Ghana and the overall liquidity has always been within the regulatory limit of Bank of Ghana. Treasury department monitors all branches to ensure that the Bank maintains optimum liquid assets. The daily liquidity position is monitored and regular liquidity stress testing is conducted under a variety of scenarios covering both normal and more severe market conditions. All liquidity policies and procedures are subject to review and approval by the Asset, Liability and Capital Management Committee (ALCCO). Daily reports on the liquidity position of the Bank are submitted to senior management and summary report, including any exceptions and remedial action taken, is submitted regularly to ALCCO on a monthly basis.

The Board of Directors has delegated responsibility for the management of credit risk to a Management Credit Committee. The Committee is responsible for the independent monitoring and oversight of the credit risk management process within First National Bank Ghana as well as the approval of risk procedures, frameworks, policies and methodologies applied in the management of the Bank's credit exposures.
